

# Credit Card Fulfillment Policy

**Effective Date:** 04/04/2025

**1. Introduction** Welcome to CSA Tech Solutions LLC. This Credit Card Fulfillment Policy outlines the terms and conditions regarding the processing, authorization, and fulfillment of payments made using credit cards with CSA Tech Solutions LLC. whether in person or via remote services.

## 2. Payment Processing

- We accept major credit cards, including Visa, MasterCard, American Express, and Discover.
- All transactions are securely processed using industry-standard encryption and fraud protection measures.
- Your credit card will be charged at the time of purchase unless otherwise stated.

## 3. Authorization and Verification

- All credit card transactions require authorization from the card issuer.
- If a transaction is flagged for potential fraud, additional verification may be required.
- Orders may be canceled if payment cannot be verified.

## 4. Order Fulfillment

- Orders will be processed upon successful payment authorization.
- Digital products are delivered instantly or within the timeframe specified at checkout.
- Physical products are shipped according to our Shipping Policy, which outlines estimated delivery times.
- Customers will receive an email confirmation once the order has been processed.

## 5. Refunds and Cancellations

- Refunds are subject to discretion of our team. If eligible, refunds will be credited back to the original payment method.
- If a chargeback or dispute is filed, we reserve the right to suspend or terminate services until the issue is resolved.

## 6. Security and Privacy

- We are committed to protecting your personal and financial information.
- Credit card details are not stored on our servers and are processed through a secure payment gateway.
